- What percentage of the staff will be affected by the layoff?
 We do not know an exact percentage number. We just know that
 34 probationary employees will be laid off.
- Will there be exceptions to the furlough policy due to the

Cole and President Gissendanner felt positive that there may be some exceptions as some offices only have one or two employees. Individual offices would have to decide which hours/days an employee5200(10/)569 off in order to ensure that the office is covered. The plan submitted right now is very general.
